Season 4 | Episode 7

The ABCs of Healthy Conflict in Leadership and Life

1. Pastor Julie shared her biggest mistake was avoiding conflict—becoming a peace-faker instead of a peacemaker. Have you ever found yourself falling into this trap?
2. Pastor Julie said even if you are only 2% wrong, you can take 100% responsibility for your 2%. What do you think the body of Christ would look like if everyone put this into practice?
3. How does it build trust when we speak about others as if they are in the room?
4. What did you learn from Pastor Julie's ABCs of conflict?
5. Why do you think normalizing conflict is important, especially in the Church world?
6. Why is it important to find mutual interest and common ground when you feel conflict arising?
