

Groups & Classes Leader Portal

As a leader, we are here to support and equip you with in-person training and community, but we also want you to have access to resources and training when it is convenient for you. The Groups & Classes Leader Portal has been designed specifically for Group Leaders and is full of resources that are at your fingertips any time or place that works for you.

When you log into the [Christ Fellowship Website](#) or App, the [Groups & Classes Leader Portal](#) will be on your home screen. This portal has training videos, pdf's, and other helpful resources to help you feel confident as you lead your group. We are constantly updating the portal to provide you with all the resources you need to lead well and successfully disciple the people in your group.

Leader Communities

A few times throughout the year, you will be invited to Leader Community gatherings. Some of these are specific to the type of group you lead, and some are for all discipleship dream teamers. These life-giving events provide support and community for Leaders with some fun, celebration, and appreciation. You'll hear the vision and leadership insights from our pastors and Groups & Classes Team as you get to form and build relationships with other leaders and coaches.

Infuse and the Dream Team Conference

These special events are scheduled just a couple of times a year for all of our Dream Team volunteers - including Group and Class Table Group Leaders - to be encouraged and celebrated by our Senior Pastors and Christ Fellowship Staff.

All of these gatherings are meant to be valuable times of investment into you as a leader. As you lead and disciple your group members, be sure to share your experiences with your Groups & Classes staff team and coaches. Knowing your specific needs helps the team to customize these events to be relevant and meaningful. Our hope is that you come away feeling encouraged, energized, and equipped, ready to lead with renewed vision for your group.
