

Email to be sent AFTER Session 5:

Hey, everyone!

I hope you can feel your faith rising as we near the end of our *Don't Let Doubt Take You Out Study*. Your testimonies have encouraged me and strengthened my faith—so, thank you... For showing up and sharing.

I believe our last session is going to be our *best* session yet!

We'll start by discussing this week's homework (found on pages 43-48), and then we will watch one final video teaching from Pastor Todd that's sure to fuel all our faith.

Session Six is going to be one for the books. Can't wait to see you all and celebrate how far we've come together!
