

Email to be sent AFTER Session 6:

Hey, friends!

What a joy and privilege the last six weeks have been. Thank you for showing up and opening up. Your contribution made our group what it was.

But we're not done yet. Our group time is over, but we still have one more section of the "Work Out The Doubt" homework for Session Six. I would love to hear what God challenges you to do after you complete that final part of the study.

Pastor Todd challenged us to step out in faith (even if it *feels* more like stepping out in doubt). I want to encourage you to take a step this week to continue in your faith journey. Your growth doesn't have to stop just because our class is ending. There are so many classes, groups, and opportunities to choose from, and I would love to help you take that [next step](#). Look at what's available, and if you have any questions, don't hesitate to reach out.

Also, there's a link to [share your story](#) with Pastors Todd and Julie. I know it would bless our Pastors to hear how this study helped you turn doubt into faith, so take time to fill that out this week.

I'm so grateful for each of you. This study and your stories have marked me, and I pray you can say the same!
