

STUDY gateway

Christ Fellowship is excited to offer our church family free access to Study Gateway, a digital library of video Bible studies and Christian content on demand. To get started, you'll need to create a free account using this link [HERE](#).

Study Gateway can be streamed on most major platforms, including your web browser, iOS and Android devices, Apple TV, Roku, and Amazon Fire TV—making it easy to watch anytime, anywhere.

Please note that while this platform includes many helpful and encouraging resources, not all content may fully reflect the beliefs or values of Christ Fellowship.

If you're considering a study that isn't listed on our [Studies and Resource page](#), please connect with your campus Groups & Classes team for them to review. For any questions or help signing up for Study Gateway, please reach out to your campus Groups & Classes staff.
