

# KEEP TALKING

In this message, Pastor Todd shared what it practically means to be rooted and established in God's love—because when we are grounded in the Father's love, it transforms the way we live. Use this guide to keep talking about Sunday's sermon!

- Can you share a time when you felt let down by God or confused by what He was—or wasn't—doing? How did that season shape your faith or your expectations of Him?

## KEEP IT GOING

One practical and powerful way to start deepening your roots is to commit to joining thousands of people across our church in [14 Days of Prayer](#). For the next two weeks, let's turn down the noise together so we can hear from the Holy Spirit.

## PRAYER

*Father, we're so grateful that you're a Gardener who knows how to make us grow. We want to experience new depths of your love this year. Please speak to us over the next 14 days as we commit to seeking you. Deepen our roots for your glory and the good of those around us. We love you. Amen.*
