

# KEEP TALKING

In this message, Pastor Todd challenged us to live with open hands and trust God as Jehovah Jireh, our Provider. Use this guide to keep talking about how to trust God with what's been entrusted to you.

## SERMON HIGHLIGHTS

- God's NAMES reveal His NATURE.
- God is not just a DOCTRINE to be STUDIED – He is a PERSON to be KNOWN.
- Jehovah Jireh is a Hebrew name for God meaning "The LORD Will Provide."
- A scarcity mindset isn't just bad for our SLEEP, it is bad for our SOULS.
- God is often very SPECIFIC in what He asks us to SACRIFICE.
- Our POSSESSIONS have the POWER to POSSESS us.
- When we withhold NOTHING, God can bless EVERYTHING.

## KEY SCRIPTURES

- Psalm 9:10
- Isaiah 52:6
- Genesis 22:1-18
- Hebrews 11:17-19
- Genesis 24:1

## START TALKING

- What is something small that you are oddly protective of (e.g., sharing your food, your side of the bed, etc.)?

## KEEP TALKING

- What was your biggest takeaway from this message?
- When you hear the phrase "I don't have enough," what's the first area of your life that comes to mind — and how does that belief shape the way you make decisions?
- What's something God has asked you to trust Him with in the past that felt unreasonable or uncomfortable, but ended up strengthening your faith later? What did that experience teach you about Him?
- Genesis 22:3 tells us that Abraham obeyed God *immediately*. When God calls you to step out in faith, what usually holds you back?
- Is there anything in your life right now that feels like it's in a clenched fist rather than an open hand? What might it practically look like to place that on the altar this week?

## PRAYER

*Father, thank you for all the ways you provide for us. We recognize that every gift comes from you. Show us what we're holding too tightly and give us the faith to release it into your hands. You are worthy of our all, and you always know best. We love you. Amen.*
