

# KEEP TALKING

In this special Easter message, Pastor Todd taught us what to do when it seems like Jesus is too late and what His resurrection means for us today. Use this guide to keep talking about what God revealed to you through this sermon.

## SERMON HIGHLIGHTS

- Easter changed the **history and eternity** of humanity.
- It's always too early to walk away from Jesus because it's never too late for Him to show up.
- Run to Jesus and confess your need.
- It's not enough to *know* about Jesus. We have to get *close* to Jesus.
- Miracles happen where Jesus is present.

## KEY SCRIPTURES

- Romans 5:8
- Mark 5:21-42
- Luke 8:40
- Matthew 18:20
- Psalm 46:1
- John 11:25-26

## START TALKING

- What's your favorite Easter tradition?

## KEEP TALKING

- What was your biggest takeaway from this message?
- How have you seen God bring life, hope, or renewal into a situation that felt dead or hopeless?
- Read Luke 8:40. There is power in our expectancy. What are you expecting God to do right now?
- Where have you been wrestling with the question, "*Why bother?*" How has that question impacted your attitude and actions?
- Jairus' situation didn't change until he brought Jesus home with him. What might it look like for you to "take Jesus home" this week?

## KEEP IT GOING

- Next Sunday, we're kicking off a brand new series — [Pressure Points](#) — where we'll be talking about the things that keep us awake at night – money, parenting, relational tension, and the pace of our everyday lives. If you've been looking for relief for real life, then mark your calendar, invite a friend, and come back next week!

## PRAYER

*Jesus, words fall short. How could we ever express our gratitude for what you've done for us? You are worthy of all our praise. Nothing is too far gone for you to resurrect. We love you. Amen.*
