403(b) plan

PLAN	PROVIDER	PER PAYCHECK	EMPLOYER COST	EFFECTIVE DATE	
403b\$ TAX SHELTER, Full Time	Guidestone Retirement	—	—	—	<input type="button" value="SELECT PLAN"/>

Enter your Contribution Amount

Enter the amount of money to set aside from your pay.

6. Make the Changes and select **SUBMIT ENROLLMENT**

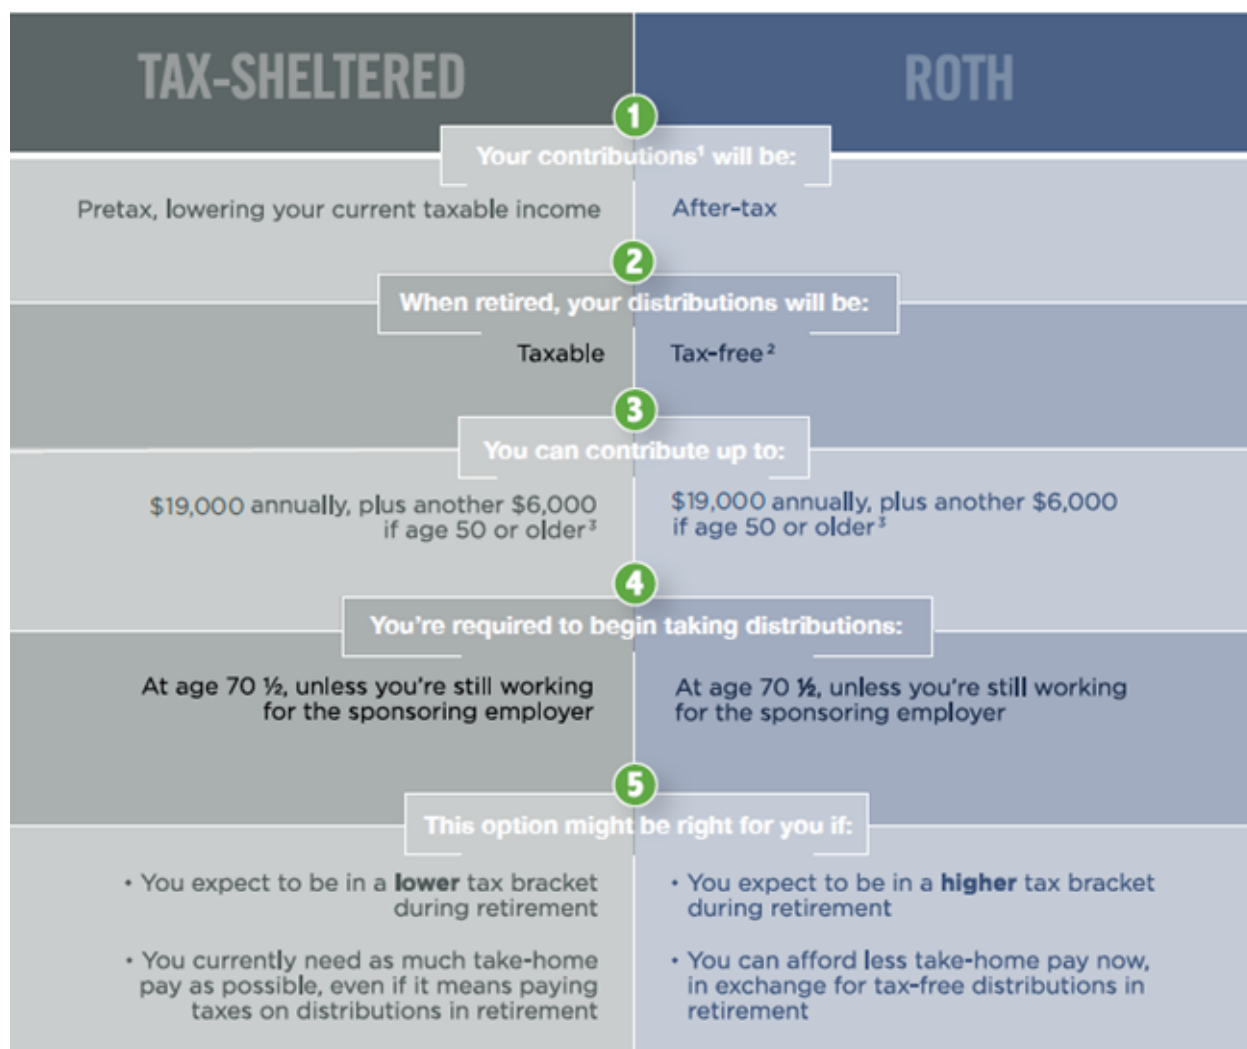

7. If enrolling for the first time, all enrollments will be automatically designated into the **Asset Allocation Target Date Fund** based on your projected date of retirement. Once registered in Guidestone you can change where your funds are allocated. **See Appendix 2 for different investment approaches*
8. Guidestone will email you an Enrollment Notice with all the information needed to complete your online profile with Guidestone.

**Appendix 1 – Use the resource below to help understand the differences between Tax-sheltered and Roth.*

TAX-SHELTERED OR ROTH:

Which contribution is right for you?

**Appendix 2 – Use this resource to understand the different ways to invest in your retirement. Reminder: that all plans will automatically be enrolled in the Target Date Funds depending on the targeted date of retirement.*

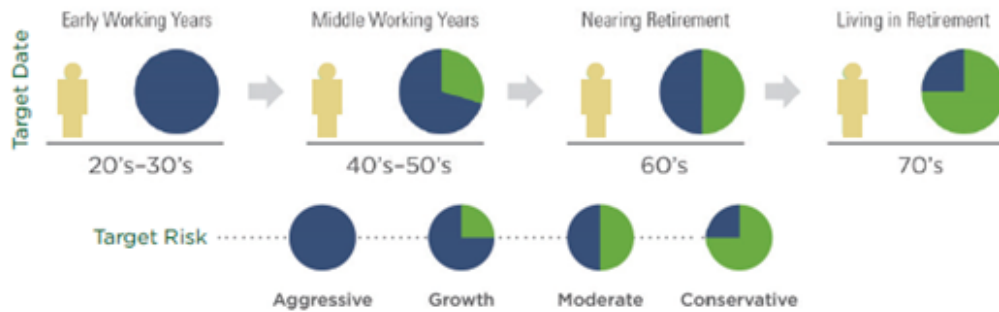

CHOOSE YOUR APPROACH

DO IT FOR ME
